COMMITTED TO ENSURE CANADA REMAINS THE MOST RESPONSIBLE AND SUSTAINABLE PRODUCER OF ENERGY OUR WORLD NEEDS

The Canadian Energy Executive Association (CEEA) brings together senior stakeholders focused on progressing the Canadian energy industry. We believe our nation's greatest successes are secured through strategic partnerships. For CEEA, the fabric of true accomplishment is woven through collaboration of operators, service providers, indigenous communities, policy-makers, academia, investors, and everyday Canadian citizens.

"One of the
greatest long
weekends
we've ever
had!"

ENERGY BUSINESS FORUM

The Race to Net-Zero

Spend a full day hearing from energy CEO's, policymakers, Indigenous chiefs, statespersons, and other executive leaders. You will have the opportunity to meet decision makers and expand your network. This year's theme will touch every stakeholder in the energy industry...for years to come. Come help architect the solutions.

\$1450 (Aug 26th)
(bfast, lunch, dinner) +1

70TH OILMENS GOLF TOURNAMENT

What could be better than a few rounds on one of Canada's highest-ranked tracks? Well, a few things. You'll be enshrined into golf lore: as a participant in the longest amateur golf tournament in North America. With 16 handicapped flights, you'll have a chance at a coveted trophy, prizes, and bragging rights. Oh, don't underestimate the number of playing partners you'll meet over the weekend.

\$2100 (Aug 27, 28th)
(2 rounds of golf, dinners, social & partner events)

NETWORKING AND SOCIAL EVENTS

Competitive golf not your thing? Play a fun round with others who just want to get out and play. Conjure up that perfect outfit for Costume Night, ritz up for the Evening of Champions Black-tie dinner. Want to learn to mix the perfect martini, play tennis, hike Sulphur Mountain. Maybe outdoor yoga interests you. Our list of events will keep you healthy and hydrated.
